

Have children become mere fashion accessories to some American mothers, to be altered to meet changing fashion fads? So it would seem.

**FASHION ACCESORIES
THEN AND NOW**

It's so difficult to stay in fashion these days! How do you think little Johnny would look as a girl; there are so many more style options for girls?

Oh, my dear! To be really fashionable these days, you have to have one of each.

**One of each!!!!!!
Why that's sixty-two; or is it more now?**

The sky's the limit now, it seems. I'm afraid I'll just have to be content with a new hat and some new yard signs.
